

As the parent(s)/guardian(s) of \_\_\_\_\_  
(Print Student's name)

I understand that the Harrison Public School District requires my child to meet all conditions that foster a successful online education. During the first 21 days of my child's activation and at the end of each semester thereafter, he/she will be evaluated by teachers and guidance based on the conditions listed below.

Conditions defining a successful online student: (Initial each line)

- \_\_\_\_\_ Maintain required pace in all courses
- \_\_\_\_\_ Engage in course work on a regular basis
- \_\_\_\_\_ Establish regular communication with all teachers via working email and/or phone
- \_\_\_\_\_ Keep all appointments, conferences, and testing
- \_\_\_\_\_ Provide transportation and attend all state/district standardized testing
- \_\_\_\_\_ Maintain academic integrity through the submission of authentic, original work
- \_\_\_\_\_ Commit to completing the semester-long class
- \_\_\_\_\_ Honor all rules and procedures established by Harrison Public School District

If during the initial evaluation process, the Harrison Public School District determines that my child does **not qualify** for online education, he/she will be withdrawn with no grade penalty and referred to onsite instruction.

**Students who do not complete all district and state testing requirements will not be eligible for additional courses through Harrison Public School District unless the student receives prior approval from HSD District Testing Coordinator**

**Meeting the listed conditions is a requirement for continued enrollment.**
